

TEACHER

Sign up for *discoverZone*

1

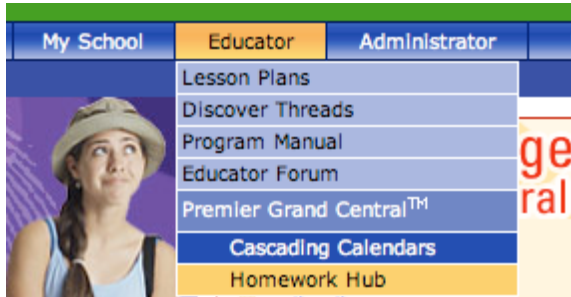

- Go to www.discoverzone.com
- Log in with the username and password provided by your administrator

Create a class (or calendar*)

2

- Put your mouse over the Educator button, then select Homework Hub™
- Click the Add Classes button in the column at right
- Fill out the name and description, and save the class

Add assignments to your class

3

- Click the Add Assignment tab
- Add assignments to your class

Tell students and parents about your class

4

- They can access your class from Premier eGenda™, under My Stuff

* Create a calendar exactly as you would create a class. Just go to Cascading Calendars instead of Homework Hub.
